

CBF Simultaneous Paris Event

Monday February 17th, 2020

[Guide for scorers](#)

EVENT SETUP

- 1) Deal boards using the supplied deal file.
- 2) Create an event in Pairscorer as usual.
- 3) Name the event CBF Sim Pairs – <town or city>, e.g. Larnaca.
- 4) In the section field enter your normal city or town, e.g. Paphos, Limassol.
- 5) On the scoring tab set Scoring to Matchpoint Pairs.
- 6) Run the event with a movement to suit your circumstances.
- 7) Ensure you play a minimum of 24 boards.

AFTER THE EVENT

- 8) Complete the event as normal and post on your local club site.
- 9) Exit the event in Pairscorer.
- 10) Select <Import/Export Event> from Main menu.
- 11) Select <Export Event data>, you will be prompted to select where you wish the file to be saved.
- 12) Retrieve the PSEvents.dat file generated in the previous step and forward to the Event Scorer.
